

GOVERNMENT OF ODISHA
FISHERIES & ANIMAL RESOURCES DEVELOPMENT DEPARTMENT

Scheme: Input Assistance to Women Self Help Groups for Pisciculture in Gram Panchayat Tanks during the Year 2021-22 to 2023-24

AIM :

- The programme aims for expansion of the freshwater fish production area and during the current year 1630 ha. of new tanks will be excavated for intensive pisciculture with subsidy support under state plan.

SCHEME OBJECTIVE :

- To create additional water bodies for intensive aquaculture in inland sector through excavation of new tanks/ ponds in the State of Odisha.
- To ensure income generation and employment creation through promotion of freshwater aquaculture.

SCHEME OUTLAY, UNIT COST & SUBSIDY :

- Total outlay under the said programme is Rs.7000.00 lakh.

Unit Cost & Subsidy Assistance :

The following tank model / models shall be executed by the beneficiary:-

Model	Specification of Tank / Pond	Unit Cost (Rs.)	Subsidy Assistance (Rs.)	
			General (40%)	SC / ST / Women (50%)
[A] Capital Cost :				
I.	New tank of excavated area of 0.20 ha. having 6 Feet depth	140,000	56,000	70,000
II.	New tank of excavated area of 0.30 ha. having 6 Feet depth	210,000	84,000	105,000
III.	New tank of excavated area of 0.40 ha. having 6 Feet depth	280,000	112,000	140,000
IV.	New tank of excavated area of 0.50 ha. having 6 Feet depth	350,000	140,000	175,000
V.	New tank of excavated area of 0.60 ha. having 6 Feet depth	420,000	168,000	210,000

Model	Specification of Tank / Pond	Unit Cost (Rs.)	Subsidy Assistance (Rs.)	
			General (40%)	SC / ST / Women (50%)
VI.	New tank of excavated area of 0.70 ha. having 6 Feet depth	490,000	196,000	245,000
VII.	New tank of excavated area of 0.80 ha. having 6 Feet depth	560,000	224,000	280,000
VIII.	New tank of excavated area of 0.90 ha. having 6 Feet depth	630000	252,000	315,000
IX.	New tank of excavated area of 1.00 ha. having 6 Feet depth	700,000	280,000	350,000
[B] Input Costs :				
1.	Input cost for one crop cycle (seed, feed, fertilizer, medicine etc.) for 1.00 ha. water area (Annexure-I)	1,50,000	60,000	75,000
	TOTAL (1.00 ha. Tank)	8,50,000	3,40,000	4,25,000

- 40% subsidy shall be provided to the General category and 50% to SC/ ST/ Woman categories of beneficiaries as per the scheme.
- The detailed specification of the input cost components are placed at **Annexure-I**.

ELIGIBILITY CRITERIA :

- Must be a permanent resident of Odisha and must possess identity and residential proof including Aadhaar Card.
- Must have a bank account in his/ her name in the State of Odisha.
- Must have requisite land free from all encumbrances (Documentary evidence in support of the land needs to be produced by the beneficiary).
- The minimum of 0.2 ha. and the maximum of 2.00 ha. excavated area having a minimum water depth of 6 feet shall be considered for subsidy.
- If a beneficiary has availed subsidy earlier for excavation of ponds for pisciculture development under different schemes of Government of India and State Government, for less than 2 ha., he/ she shall also be eligible to avail further subsidy under this scheme. However in such cases, the subsidy shall be limited to a maximum of 2 ha.; which will include the area covered earlier.

STEPS INVOLVED IN CITIZEN SUBMITTING APPLICATION :

- The scheme shall be advertised through the Departmental website, newspapers, wall paintings/ posters of the District Fisheries Offices and Block Offices across the State.
- The interested beneficiaries will apply to the concerned DFO through AFO in the prescribed application format (**Annexure-II**) with a self-contained proposal (SCP) with techno-economical details including the species to be cultured, capital cost and recurring cost involved.
- The self-contained proposal will also include documentary evidence of availability of requisite land (either own/ registered lease document) free from encroachments and encumbrances, necessary clearance/permission if any required. In case of leased land, the lease period/ agreement must not be less than 7 (seven) years from the date of submission of self-contained proposal and the registered lease document be included in the self-contained proposal.
- Interested persons shall apply through online/ offline to AFO of the respective block and submit their ID, residential proof, land documents etc.

PROCESS FOR PROVIDING SUBSIDY :

- Identification of beneficiary shall be made with Aadhaar linking at the time of submission of application. The DFO must ensure the Aadhaar No. of the beneficiaries and the land record to prevent multiple benefits.
- Preference shall be given to ST/ SC applicants in selection of beneficiaries.
- On receipt of application from the applicant, the AFO of the block shall visit the site and submit the survey and technical feasibility report, land records and other documents to the DFO within 15 days.
- The AFO shall take around 5 Geo tagged photographs of the site where the fish pond is proposed for excavation and submit a copy of the pre project photos to the DFO, along with other documents.
- On receipt of application along with documents from the AFO, the DFO shall convene the District Level Screening Committee (DLSC) meeting under chairmanship of the Collector for approval of the list of eligible beneficiaries.
- The DFO shall issue a **Go-Ahead** letter and DPR to the selected beneficiaries to take up excavation work of tanks.
- The Assistant Fisheries Officer of the concerned block shall visit the site and guide the farmers from time to time at the time of project construction and render technical support during culture period.

- During construction of the project, the beneficiary shall submit the RI verification report of the land on which the tank is being excavated.
- Geo tagged photograph of the project shall be taken by AFO along with the beneficiary before excavation, during excavation and after completion of the project.
- The beneficiary shall inform the AFO about completion of the project.
- The AFO shall make field visit within 15 days and submit the completion certificate to the DFO along with all photographs.
- Physical verification shall be conducted by the District Level Committee on completion of the project and recommend for release of subsidy. The District level Committee shall consist of DFO, Addl. FO/ AFO (Hqrs.), AFO of the concerned block and the representative of Block Level Officer of CDAO. The Committee shall physically verify all the completed projects.
- The Zonal Deputy Director of Fisheries shall visit at least 30% of the completed cases.
- 50% subsidy of the eligible subsidy shall be released by the DFO after completion of the excavation as per specification and after verification of the committee.
- The remaining 50% of the subsidy shall be released to the beneficiary after stocking of fingerlings and on receipt of necessary certificate from the AFO on stocking of fingerlings.
- The beneficiary shall submit the GST bills/ receipts towards procurements of inputs.
- The back ended subsidy shall be released directly to the beneficiary account on completion of the project through DBT/ RTGS/ NEFT in the Aadhaar linked Bank Account of the beneficiary.
- Horticulture activity on the pond embankment shall be encouraged and taken up by the fish farmers at their own cost for additional income.
- Sign Board must be displayed on the embankment of pond with details of scheme, funding, subsidy, area, name & address of beneficiary, year of implementation etc.

SUPPORT FROM THE DEPARTMENT :

- Training of farmers will be organized at Regional/ District/ Block level.
- The concerned AFO of the block will guide the farmers in field and will give lay out for excavation of new tanks and provide all technical support for pisciculture.
- Assistance in marketing of fish.
