#### **NOTIFICATION**

No.7492/FARD dt.12.06.08

The job chart of veterinary stockman now designated as Livestock Inspector was framed and issued vide letter No.410—(13) CD-I dt.21.11.1961 in the erstwhile Planning & Co-ordination (CD) Department. During the long passage of time the job chart of the Livestock Inspectors / Veterinary Technicians has been more extensive and they have been entrusted with minor treatment of animals. A lot of difficulties are being experienced by the Livestock Inspectors / Veterinary Technicians as well as the Department in treatment of animals as relevant job chart of Livestock Inspectors / Veterinary Technicians to cope up with such extensive work has not been framed yet. Recently the Veterinary Council of India has requested to the State Government to define the minor-veterinary services in accordance section 30 of Indian Veterinary Council Act, 1984 and the judgement of Hon'ble Supreme Court of India in civil Writ Petition No.4 of 2005.

Now after careful consideration, Government have been pleased to decide this following treatments are to be treated as 'Minor Veterinary Services' which are to be undertaken by the Livestock Inspectors / Veterinary Technicians under the supervision and direction of a registered Veterinary Practitioner.

Job Chart of Livestock Inspectors:

- 1) To treat the sick animals and birds in clinical cases under the supervision of a Veterinary Doctor.
- 2) To conduct minor surgeries like Abscess, hematoma and wounds.
- 3) To examine fecal sample through microscope. The prescription will be made by the registered Veterinary Practitioners selecting suitable Anathematic, which shall be dispenses by the Livestock Inspectors / Veterinary Technicians.
