

**GUIDELINES FOR STATE SECTOR UMBRELLA SCHEME "MMKY- NEW TANK
EXCAVATION UNDER BRACKISH WATER AQUACULTURE" FOR THE FY 2023-24**

1. BACKGROUND:-

Odisha has vast potential for enhancement of area and production under brackishwater aquaculture. Presently, around 18,923 Ha is under Brackish water culture with an annual production of approximately 1, 14, 020 MT. The brackish water aquaculture is carried out within 2 km from the High Tide Line (HTL) and is regulated under Coastal Aquaculture Authority Act (CAA)-2005 and Amendment Act- 2023, CAA Rules- 2005 and Amendment Rules-2022. The Department has developed the GIS based Coastal Aquaculture Information System (COAST) with support from ORSAC and it is observed that approximately 2.93 lakh Ha of private land is available in the brackish water zone. Accordingly, in order to promote farmers and entrepreneurs to take up Brackish water aquaculture, this state plan scheme is implemented. The same operational guideline is also applicable for development of Brackish water pond under PMMSY.

2. OBJECTIVES:-

- i. To enhance brackish water shrimp and fish production in the State.
- ii. To enhance the livelihoods and income of coastal communities through propagation of brackishwater Aquaculture.
- iii. To increase the shrimp/fish exports from the State.

3. AREA OF OPERATION:-

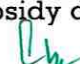

The scheme shall be implemented in the coastal districts of Odisha as per the provisions of the Coastal Aquaculture Authority Act (CAA)- 2005 and Amendment Act- 2023, CAA Rules- 2005 and Amendment Rules-2022.

4. TARGET:-

The district-wise annual target shall be communicated by the Director of Fisheries at the beginning of the financial year. The target is interchangeable depending on the progress made by the District Level Officers.

5. ELIGIBILITY CRITERIA FOR BENEFICIARY:-

The following are the eligibility criteria of the beneficiary

- i. Must be a resident of Odisha and must possess identity and residential proof including Aadhar card.
 - ii. Must have a bank account in his/her name in the State of Odisha.
 - iii. Preference will be given for selection of beneficiaries in cluster mode.
 - iv. Must have requisite land free from all encumbrances. The documentary evidence in support of the suitable land needs to be provided by the beneficiary. (Copy of the RoR/ Copy of the lease agreement in case of lease land for a minimum period of seven years of lease need to be submitted).
 - v. The beneficiary who has not availed assistance under this component shall be eligible for subsidy maximum up to 2.00 Ha water spread area.
 - vi. The beneficiary who has availed similar subsidy earlier for excavation of Brackish water ponds under different scheme of Govt. of India or State Government for less than 2.00 Ha. water spread area, he/she shall also be eligible to avail further subsidy for balance area keeping overall maximum limit up to 2.00 Ha. under the scheme.
 - vii. While availing subsidy, beneficiary family will be considered instead of individual member of family. One beneficiary family should not be provided with multiple benefits under one particular scheme. A family will not be eligible for subsidy under the same scheme if any of its members has got subsidy during last three years.
- 

6. UNIT COST AND SUBSIDY ASSISTANCE: -

MODEL ESTIMATE FOR 'EXCAVATION OF NEW BRACKISH WATER PONDS' OF 1.00 Ha. UNDER THE STATE SECTOR UMBRELLA SCHEME - MMKY						
Sl. No.	Capital cost for 1.00 Ha. water area	Quantity	Rate (Rs.)	Amount (Rs.)	Subsidy Assistance (Rs.)	
A	Item				General (40%)	SC/ST/ Women/ Transgender/ PwD. (60%)
1	New tank of excavated area of 1.00 Ha. having 5 ft. depth	1 Ha.	Lump sum	6,00,000	2,40,000	3,60,000
2	Provision of Aerators	4 nos.	30,000	1,20,000	48,000	72,000
3	5 HP Pump	1 no	30,000	30,000	12,000	18,000
4	Bi- Security net		Lump sum	50,000	20,000	30,000
	Total			8,00,000	3,20,000	4,80,000
B	Input cost for one crop for 1.00 Ha. water area					
1	Seed (Shrimp Post Larvae) @ 20 pieces per cubic meter	2.00 lakhs	Rs.0.40/lakh	80,000	32,000	48,000
2	Feed	5000kg	Rs.80/kg	4,00,000	1,60,000	2,40,000
3	Lime, fertiliser & Probiotics		Lump sum	40,000	16,000	24,000
4	Diesel	1000 lt	Rs.80.00/lt.	80,000	32,000	48,000
	Total			6,00,000	2,40,000	3,60,000
	Grand Total for 1.00 Ha. (A+B)			14,00,000	5,60,000	8,40,000

(The component wise capital and input cost is only indicative. However, can be allowed as per actuals and considered on the basis of total operational cost rather than component wise exact cost)

- Subsidy shall be calculated and released to the beneficiary based on the actual cost incurred, subject to maximum subsidy as specified under the scheme.
- Subsidy assistance @ 40% on the actual cost of implementation shall be provided to General Category and 60% to SC/ ST/ Woman/Transgender/ PwD Categories of beneficiaries. For PMMSY funds Transgender/PwD category shall not be considered.
- For differently-abled persons the certificate of disability issued by certifying authority/ competent authority indicating 40% or more disability as per 'The Rights of Persons with Disabilities Act, 2016 will be acceptable. The certificate of identity as transgender person issued by District Magistrate as per 'The Transgender Persons (Protection of Rights) Act 2019 will be accepted as Transgender category.
- In case Government in F & ARD Department enhance the percentage of subsidy that shall be applicable for those beneficiaries who have received Go-ahead letters during F.Y 2023 24.**

7. MODE OF FINANCING:-

The scheme shall be implemented both under bank finance and self-finance.

8. IMPLEMENTATION PROCEDURE AND RELEASE OF SUBSIDY:-

- i. The scheme shall be advertised through the Department and Directorate website, newspapers including wall paintings / posters etc. for wide publication.
 - ii. Awareness creation and IEC activities to be undertaken by the District Fisheries Officers, Assistant Fisheries Officers and all field functionaries.
 - iii. Interested persons shall apply for registration of new brackish water farms through Go-Sugam portal. In case of difficulty in applying through Go-Sugam portal the hard copy of CAA Form No. I (**Annexure-V**) for fresh registration along with Scheme application form (**Annexure-I**) to be submitted to the AFO for processing and digitalization of the proposal.
 - iv. The Beneficiary shall submit identity and residential proof, land documents (RoR, Sketch map of the land, RI report regarding ownership of the land, non-encumbrance certificate and other necessary documents if any along with the processing fee for registration of new brackish water farm as per CAA guideline. (In case of leased land the lease period/agreement must not be less than 7 years from the date of application. **In case of joint property and property ROR in the name of ancestors, the affidavit should be made before the Executive Magistrate in the name of applicant which should contain declaration/consent by other shareholders/ their legal heirs of the land to take up the project by the applicant under govt. assistance. The applicant shall submit disclaimer that in case of any complaint received from any party on dispute of land the subsidy amount will be refunded to Government.)**
 - v. The AFO of the block shall visit the site, take Geo-tagged photographs with GPS coordinates of the site, verify the same in the Coastal Aquaculture Information System (COAST) mobile app/web portal developed by ORSAC to ascertain the availability of the proposed land within the permissible coastal area and submit the **survey form** for CAA registration (**Annexure-VI**) as well as **technical feasibility report** for new tank excavation (**Annexure-II**) to the DFO through online / offline whichever is applicable, within a period of 15 days.
 - vi. After receipt of all reports from AFO, the District Fisheries Officer shall send the details of ROR to Divisional Forest Officer and concerned Tahasildar for field verification and submit the clearance within maximum one month so as to place the application for decision in District Level Committee (DLC) for cases above 5 ha. Water Spread Area/Sub Divisional Level Committee (SDLC) for cases up to 5 ha WSA as per CAA norms with recommendation for Registration to CAA, Chennai as per notification no 834/FARD dt.21.01.23
 - vii. The SDLC under the Chairmanship of Sub Collector shall recommend the eligible new cases for excavation of new tanks and further approval in DLC for issue of go ahead for new tank excavation for eligible cases only.
 - viii. In case of delay in receiving the report from Divisional Forest Officer and concerned Tahasildar so as to conduct DLC/SDLC, the DFO shall place the matter to the DLC/SDLC with finding based on COAST app/web portal and Field verification by the AFO for expediting the process and decision by the Chairperson of the concerned committee to avoid delay.
 - ix. The District Fisheries Officer shall place the eligible applications before District Level Committee (DLC) for approval and issue of **conditional Go-ahead (Annexure-III)** in principle based on the recommendation of SDLC/DLC to CAA, Chennai.
 - x. The AFO of the block shall guide the farmers from time to time during the entire period of project implementation.
- 

- xi. Geo-tagged photographs of the project shall be taken by AFO along with the beneficiary before excavation, during excavation and after completion of the project as per Go Sugam procedure.
- xii. The beneficiary shall inform the AFO about completion of the project online /offline at the earliest and submits self-declaration of completion and RI verification report.
- xiii. The AFO of the concerned block shall physically verify 100% of the completed projects, submit Utilization Certificate (**Annexure-IV**), bills and vouchers (GST wherever applicable), CAA Registration certificate and Geo-tagged photographs (AFO and the beneficiary both should be visible along with the asset created) of the completed tank to the DFO for release of capital subsidy.
- xiv. DFO shall earmark the percentage of projects to be inspected by each officer himself/herself, Addl.F.O/AFO (HQ) to verify 25% of total projects separately after completion at random. They shall immediately verify the completed projects after excavation and before stocking.
 - a. In these 25% cases, subsidy shall be released after verification report is submitted by DFO, Addl.F.O and AFO (HQ) as the case may be.**
- xv. The DFO shall release the proportionate capital subsidy to the beneficiary account.
- xvi. The beneficiary after completing stocking of seed submit input vouchers/bills GST vouchers (where ever applicable) under intimation to the AFO.
- xvii. AFO conducts physical verification for stocking of seed and collect all input vouchers/bills against subsidy claims (GST vouchers where ever applicable) and submits the verification report to the DFO for release of input subsidy.
- xviii. After receipt of verification report from AFO, DFO shall release the proportionate input subsidy to the beneficiary account.
- xix. Back ended subsidy shall be released to the Aadhar linked beneficiary account in DBT / NEFT / RTGS.
- xx. District official can enhance it up to 25% of their allocated target and district officials are free to reallocate block targets as per demand (Lt. 883/FARD dt 21.1.23).
- xxi. The AFOs /DFOs should facilitate credit linkage from banks to the beneficiary for availing loans as per the requirement of the beneficiary in Bank Finance case only.
- xxii. DFOs to assess the progress of each projects after a period of three months from the date of issue of the Goahead then issue one month notice for immediate initiation of the project if not yet started. After one month of the notice the same may be cancelled if no progress is observed. DFOs are allowed to review the reasons of non-initiation from case to case basis with justified reasons (Except bank finance case).

9. TRAINING AND SKILL DEVELOPMENT OF BENEFICIARIES:-

- i. To generate awareness, dissemination of farming technology and to attract the interested stakeholders on the benefit of the scheme, adequate training and awareness program may be conducted.
- ii. Directorate of Fisheries will either organise the training for beneficiaries as submitted by the DFOs at CIFA/BWTC/FTI etc. (Cost of the training shall be met out of the IEC/training and capacity building component, OR entrust the task to District/Zonal Level along with fund provision.

Ln

10. TIMELINE: -

- i. After receipt of application from the beneficiary, the AFO shall conduct field verification and submit the application along with the documents to the DFO in Go-Sugam portal within 15 days.
- ii. DFO shall conduct DLC within 45 days of receipt of application
- iii. The DFO shall issue conditional Go-ahead within 15 days of receipt of recommendation & approval by DLC/SLDC, as the case may be.
- iv. The DFO shall release subsidy within 15 days of receipt of all documents from beneficiary and UC from the AFO.

11. MONITORING AND SUPERVISION:

1. District level Monitoring

The District Fisheries Officers along with his/her team of officers in coordination with block administration and in consultation with SDLC chairperson shall regularly supervise the scheme implementation including progress of selection of beneficiary, excavation as per requirement under CAA act guidelines, stocking of fish seed, training and capacity building of the beneficiaries, release of subsidy etc.

2. State level Monitoring

A State Level Monitoring Committee will be constituted at Directorate of Fisheries, Odisha under Chairmanship of the Director of Fisheries, Odisha. The committee members are:

- Director of Fisheries (Chairman)
- Additional Director (Technical)
- Joint Director (coastal)
- Deputy Director (BW)

The Monitoring Committee will meet once in every quarter to monitor and review the progress of scheme implementation. Progress of the works of the DFOs will be reviewed by the Committee for suggestion and necessary guidance. The senior officers of the Directorate of Fisheries will undertake field visits at regular intervals to monitor and supervise the scheme implementation.

**APPLICATION FORM FOR 'NEW TANK EXCAVATION UNDER BRACKISH WATER
AQUACULTURE' UNDER THE STATE SECTOR UMBRELLA SCHEME - MMKY**

1. Name of the Farmer
2. Father's /Husband's name
3. Gender
4. Age
5. Address
 - a. Village:
 - b. Block:
 - c. G.P:
 - d. District
6. Mobile number (Aadhar linked Mandatory)
7. Category : (Gen/SC/ST/Women/Transgender/PwD)
8. Educational qualification
9. Land particulars
 - a. Ownership of Farm:
 - b. Land Particulars:
 - i. Khata No./Plot No.
 - ii. Village/Town
 - iii. Gram Panchayat
 - iv. Block
 - v. District
10. Whether Registration Certificate issued from CAA. (Yes/No)
 - a. (If Yes , enclose copy of the certificate)
 - b. (If No, have you enclosed CAA Form-1 with all information and processing fee):
11. Any previous experience in BW shrimp farming? Mention the same here.
12. Have you availed subsidy previously for any project? (If yes, the details of the previous one may be mentioned)
 - i. Area of the project
 - ii. Location
 - iii. Year of availing
13. Identification proof
 - a. Aadhaar Card No.
14. Source of funding for project – Self Finance/ Bank loan
(If bank loan, enclose consent letter from bank)
16. Bank A/C Details:
 - a. Name of the Bank -
 - b. Name of the Branch -
 - c. Bank A/C No. -
 - d. IFSC Code -
17. SELF DECLARATION:-
 - a. I do hereby declare that in case of any complaint received for any party on dispute of land, the subsidy amount will be refunded to Government.
 - b. I do hereby declare that the above facts are true to the best of my knowledge and I am willing to take up brackish water shrimp farming adhering to CAA guidelines & utilize the Govt. assistance for the said purpose.

Plot No. _____ and Khata No. _____ with an
area of _____ Ha. in Revenue Village _____, Block _____,
Dist. _____ and this plot was inspected by the _____ Block Assistant
Fisheries Officer on Dt. _____.

The AFO has recommended the application for Construction of New Ponds and
Inputs for Brackish Water Aqua Culture under the Centrally Sponsored Scheme / State
Sector Umbrella Scheme - MMKY for the Year _____.

I am pleased to inform you that application under the above scheme has been
approved with Project cost Rs. _____ lakh and subsidy of Rs. _____
lakh @ _____%. for new tank development of _____ ha. You will be entitled to receive
back-ended subsidy in two phases:-

- a. Phase -I , after Excavation of Ponds/Tanks and,
- b. Phase -II, after stocking of shrimp seed.

Please note that the work must be completed by end of the _____
for release of admissible subsidy through DBT/ RTGS/ NEFT. Adherence to the
provisions of the scheme is mandatory for release of subsidy. Completion of the
excavation of tank and stocking of shrimp seed need to be intimated to the AFO
concerned at the earliest.

APPLICATION FOR REGISTRATION OF COASTAL AQUACULTURE FARM

1. Name of the applicant(s)/ registered company/ establishment (in BLOCK LETTERS with permanent address) :
2. Address for Communication (in BLOCK LETTERS) :
Mobile :
Email ID :
3. Whether the application is for:
 - (a) Registration of aquaculture farm already operating in coastal area : Yes/ No
 - (b) Registration of new aquaculture farm to be constructed : Yes/ No
4. Details of land for which registration is applied for :
 - (a) State :
 - (b) District :
 - (c) Taluk/ Mandal :
 - (d) Revenue village :
 - (e) Survey Number :
 - (f) Ownership right (Whether freehold or lease hold) :
 - (g) Total Farm Area (in hectare) :
 - (h) Water Spread Area (in hectare) :
5. Species to be cultured :
6. Stocking density :
7. If the whole or a part of the above land falls under any one of the following categories, please furnish details :

Category	Village	Survey Numbers	Extent (in ha)
(a) Agricultural Land			
(b) Forest land			
(c) Lands for village common purpose			
(d) Land meant for Public purpose			
(e) Wet lands			
(f) Mangroves			
(g) Salt pan			

8. Indicate the distance of unit site from

- (a) High tide line :
- (b) Nearest drinking water source :
- (c) Agricultural land :
- (d) Mangrove :
- (e) Marine protected area :
- (f) Adjacent aquaculture farm :
- (g) Human settlements (Indicate the population of the settlement) :
- (h) National parks :
- (i) Sanctuaries :
- (j) Reserve forests :
- (k) Heritage area :

9. Water source for the Aquaculture Unit

- (a) Sea : Yes/ No
- (b) Creek/estuary/ canal/ back water : Yes/ No
- (c) If the water source is as mentioned in (b) above, indicate the name of the source

10. Date of commencement of operations of existing aquaculture farm :

11. Bio-security Arrangements

- (a) Fencing :
- (b) Crab fencing :
- (c) Bird fencing :
- (d) Hand wash & Foot bath :
- (e) Reservoirs :
- (f) Filters :

12. Furnish Project Report giving details with sketch (to scale) of design and layout of the aquaculture farm in operation/ proposed along with operational details, water intake and wastewater treatment facility :

13. If effluent treatment system (ETS) has been in operation/ proposed, please furnish layout, design and technical details :

14. Whether Environment Impact Assessment (EIA)/ Environment Management Plan (EMP) were carried out on the environment of the aquaculture farm with reference to other land uses in its neighbourhood and based on operational details of the unit as furnished in the Project Report, please state specifically, whether

- (a) The aquaculture activity has the effect of causing water logging of adjacent areas or polluting the drinking water source:
- (b) by use of supplementary feeds/ medicines / drugs, etc. will consequently increase sedimentation which will be harmful to the environment. :
- (c) such activity would cause siltation, turbidity with detrimental implication on local fauna and flora :

24

15. If, Environment Impact Assessment (EIA) has been done, please attach the report

(Mandatory for farms above 10ha WSA) :

16. If Environment Management Plan (EMP) has been drawn up, please furnish details

(Mandatory for farms above 40ha WSA) :

17. Details of remittance of processing fee :

Declaration

I/ We _____ son(s)/ daughter(s)/ wife of
_____ residing at _____
_____ hereby declare that the
information furnished above is true to the best of my/our knowledge and belief. I am /
we are fully aware that if it is found that the information furnished by me/us is false or
there is any kind of deviation/ violation of the conditions on which certificate of
registration may be issued by the Authority, the Certificate of Registration issued may
be either suspended or cancelled.

NOTE FOR EXOTIC SHRIMPS FARMING

1. Effluent Treatment System (ETS) is not mandatory for farms of less than 5 ha. WSA using stocking density below 20nos. PL/ m².
2. Bio-security protocols are mandatory for all farms except Reservoir ponds are optional for farms of up to 2 ha. WSA with stocking density up to 20 nos. / m².
3. For farms using stocking density of above 20 nos. PL/m², ETS is mandatory irrespective of the size of the farm.

SURVEY REPORT BY ASSISTANT FISHERIES OFFICER FOR CAA REGISTRATION

1. Name of the farmers: _____
S/o : _____
2. Address:
Village: _____ P.O.: _____
Block: _____ District: _____
Mobile No. : _____
3. Location of the Farm
a. Revenue Mouza: _____ / Tahasil: _____
Within Coastal area _____ (Yes/No)

b. Khata No.: _____
c. Plot No.: _____
4. Area of the Farm :
a. Total Area as per R.O.R _____ Ha.
b. Water area for development _____ Ha.
c. ETS proposed (% of WSA) _____ Ha.
d. EIA/EMP proposed _____ (Yes/No)
5. Status of the land
a) Own land (Yes/No)
b) Govt. land on lease (Yes/No)
c) Pvt. land on lease (Yes/No)
1. Name of the lessee
2. Name of the lesser
3. Period of lease
4. Registered lease deed
6. Site Selection (Distance from)
a. HTL (Sea): _____
b. HTL (Creek/River/Estuary): _____
c. Nearest Drinking water source: _____
d. Agriculture land : _____
e. Mangrove: _____
f. Adjacent Aquaculture Farm: _____
g. Human Settlement : _____
7. Water source of the farm :
Sea/Creek/ Estuary/Canal _____
8. Proposed for excavation : _____ (Yes/No)
9. Proposed date of commencement of work : _____
10. Existing farm :
a. Within / Outside CRZ : _____
b. Pre existing (Before 2005) _____ (Yes/No)
c. Year of operation : _____

11. Project Report submitted: _____ (Yes/No)

12. Farm design /Layout submitted : _____

13. Species proposed for culture : _____

14. Type of culture : _____

15. Stocking Density : _____

I have physically verified the site and fulfill the criteria prescribed under Coastal Aquaculture Authority Act – 2005 & Amendment Act - 2023 and recommended for registration by CAA.
